

Father in heaven, I come before you in the mighty name of Jesus Christ and I declare that your word says to come boldly before your throne of grace to find mercy and grace to help in time of need. Lord, I have been pursued by my enemies which lay claim to my life, and I am seeking a judgment in my favor that will empower me to walk out my mandates in Christ Jesus.

I call for a court to be set and I petition Jesus Christ to provide the angels of the Lord with the coordinates of my enemies which are pursuing me to destroy me, to cause me to turn from your truth, to control me, distract me, or to detour me. I pray that the angels of the Lord would use the net of the Lord, and any other technologies necessary, to capture those that pursue me, for I call them indicted and I summon them into the court of heaven now in the name of Jesus Christ. (Wait to perceive those that are brought into the court before proceeding.)

I ask that all hidden documents, covenants, contracts, agreements, certificates, oaths, and vows that have been signed by me or any part of me including what I will henceforth identify as "the group": clones, holograms, merfolk, twins, copies, duplicates, replicas, derivatives, walk-ins, parents, spouse(s), or ancestors assigning legal rights to those that persecute me, be produced for the court now. I call for them to be weighed in the scales of justice. I invalidate every binding document that has been fraudulently created or established against me based on agreements obtained by me or any part of me or "the group" under duress. I furthermore invalidate every binding document implicating me or any part of me or "the group" executed by lying spirits that did not fulfill their end of the bargain. I repent for and renounce the creation of all other documents that are left on behalf of me, my parts, and "the group". I now call for the blood of Jesus to stamp every document that has been presented before the court empowering those that pursue and persecute me. I call for them to be nailed to the cross of Jesus Christ and to be burned in his consuming fire.

I call for all of the following elements that have been used as access points to my life in both the natural and the spirit to be presented before the court and subsequently burned with the fire of God: hair, fingernails, blood samples, saliva, other sources of DNA, cursed objects, fecal matter, urine, evil sacred trees, ritual altars, covenantal rings, heirlooms, tracking devices, tridents, consent forms, and technologies. I agree to specifically address anything else

that you require of me, Holy Spirit, that would otherwise keep me bound to my persecution. Bring to the front of my mind any specific agreements or sins I need to lay down now. (Speak and verbally lay down any specific issues the Holy Spirit brings to your attention, even if you don't fully understand.

Confess, repent for, and renounce everything the Holy Spirit brings up. If God reveals parts or alters doing ungodly things, claim them as your humanity, forgive them, repent for their sins, speak over them remission of sins, renounce their works, call them fired from their job, and call for the angels of the Lord to escort these parts before Jesus Christ for his redemption and ministry.)

To those that have been summoned into the court, I declare that my season of persecution at your hands is now over. It is written that as a man sows, so shall he reap. It is written that whoever destroys this temple, the Lord will destroy.

In keeping with protocol, I separate human and partially-human agents from non-human agents within the court. To the human and partially-human agents, I offer up the gospel of Jesus Christ. Jesus Christ is the Son of God and the Creator. He is the firstborn among many brethren. He was born of a virgin, he died for our sins, and was raised again to life on the third day. He has ascended on high where he is seated at the right hand of the Father and ever lives to make intercession for the saints. He is the payment for our sins, and should you choose him, you will be justified freely by grace through the redemption that is found in him. His suffering will atone for your sins. If you do not choose him, you will receive in your own members the judgement for your sins and impropriety. Choose now. I pray Lord God, that as they make their decisions, your stream of living water flows through the courtroom to separate out humanity from those that exist as composite entities. I pray that your sword would sever devices, demons, blinders, artificial intelligence, programs, holographic technologies, quantum interfaces, and other defilements that would otherwise inhibit a decision for Jesus to be made by those present in the court, thus revealing the true conviction of their humanity and not the instruments of their bondage. Lord I appeal to you to judge and judge justly, and to have your angels escort those that have not chosen Jesus and all non-human agents to the place determined for them, such that they cannot any longer take or receive assignments against me to destroy my life and deviate me from my heavenly mandates. I furthermore establish an automation on my freedom such that every reset is overcome in accordance with this judgment.

In this, I declare complete freedom and autonomy for my body (respiratory system, digestive system, cardiovascular system, renal system, endocrine system, nervous system, musculoskeletal system, exocrine system, glymphatic system, lymphatic system, immune system, and sexual system) soul, spirit, heart, decisions, worship, destiny, offices, business, and relationships. I praise you now for freedom, newness of life, and empowerment from you, Holy Spirit. I thank you for setting me free and I pray that barricades would now be set up preventing all attempts at retaliatory efforts. In doing so I activate your Word on behalf of my life and the lives of my loved ones. I declare, Lord God, that you are my shield, buckler, rear guard, strong tower, and fortress. I put my trust and faith in you, Lord Jesus. I seal this prayer to a realm of timelessness and anchor it to every realm, age, timeline, dimension, planet, cosmos and universe, past, present, and future, to infinity, and from the beginning, across eternity. Amen.
